

5th REGIONAL TIAFT MEETING TURKIYE

October 9th-11th, 2024

Dicle University, '15 Temmuz' Culture and Congress Center, Diyarbakır, Türkiye

NIKOLAS LEMOS YOUNG SCIENTIST ORAL PRESENTATION AWARD

“NIKOLAS LEMOS YOUNG SCIENTIST ORAL PRESENTATION AWARD” is an award in forensic toxicology that has been named after Professor Nikolas P Lemos. Dr. Lemos is an award-winning, board-certified forensic toxicologist with experience in the determination and interpretation of alcohol, drugs and poisons in biological fluids and matrices as well as their interactions and effects in both postmortem toxicology cases as well as human performance toxicology cases.

ELIGIBLE PERSONS

The candidate must be the first author of the scientific paper.

The candidate must not be older than 40 years.

AWARD

The winner of the competition for Young Scientists Best Oral Presentation will be announced at the end of the 5th TIAFT Regional Meeting in Türkiye on October 11th. The award consists of a signed certificate plus an amount of € 150 Euros.
